### **Work in progress**

"Voices from the far right: a text analysis of Swedish parliamentary debates", working paper, SocArxiv, (under revision)[With Måns Magnusson, Katarina Barrling and David Mimno].

### **OTHER**

I have served as a referee for journals such as *European Journal of Political Research*, *Journal of Politics*, *Journal of Comparative Policy Analysis*, and *Local Government Studies*. Furthermore, I have presented papers at conferences such as *European Group for Public Administration (EGPA)*, *European Consortium for Political Research (ECPR)*, *Political Studies Association (PSA)*, *Midwestern Political Science Association (MPSA)* and *American Association for Public Opinion Research (AAPOR)*. I have also served at the editorial board of *Statistics Sweden's magazine Välfärd [Welfare]* 2005–2006.

I have experience of using statistical software, such as R, SAS, SPSS and Stata, and also programming languages, such as Python.
